

COLLAGEN BOOST

Promote your skin's health from within for visibly younger looking skin. This supplement is formulated with Verisol[®] collagen to support skin elasticity and reduce wrinkles. It features Bioactive Collagen Peptides[®] that can also reduce signs of cellulite. Enjoy on its own, or add to your favorite tea flavor for a refreshing treat.

PROBIOTIC BOOST

Add to any drink at Slim Possible to boost your digestive system. Simply Probiotic is a daily, science-backed probiotic that provides 1 billion active probiotic cultures, which promote digestive health. It is formulated with a powerful GanedenBC30[®] strain that survives the gastric journey to get to where it counts, and completely tasteless helping you feel your best every day.

LIFTOFF

Beat the afternoon energy slump and stay alert and focused with the refreshing boost from Liftoff. This effervescent drink contains 75mg caffeine to help you increase your feeling of energy and support your mental alertness. Try adding to your herbal tea and aloe combo for a TeaBomb!
